

Garden Club

Parents and Students,

Garden Club will be meeting after school either on Monday or Friday from 3:30 to 4:15. We will contact you about the future meeting dates. They will also be posted on the Rogers Park Facebook page and website. We will be planning what to plant in the spring, fundraising projects for the club, and at future meetings planting bulbs and herbs for table decorations for the Spring Fling planned in February.

If your child is interested in Garden Club fill out the information below and return it to Ms. Belts. Each student will need to enclose \$10 cash or check made out to the Rogers Park PTA with the completed permission slip. The permission slip and money/check can be deposited in an envelope in the Secure Drop Box by the front office. Please indicate on the envelope that it is for Garden Club. If you are interested in a scholarship for the \$10 activity fee, please indicate that below.

Any questions or concerns please contact Ms. Belts belts_annie@asdk12.org or Julie Hood at rogers.park.pta@gmail.com.

I give permission for my student, _____, to participate in Garden Club. We have discussed that participation requires proper use of materials, following of directions, and respectful behavior towards others.

Parent Signature: _____
